MARVEL STORMBREAKERS

THE NEXT GENERATION OF ELITE ARTISTS

JOE QUESADA
EVP, CREATIVE DIRECTOR

R.B. SILVA

R.B. Silva is Brazil's gift to the Marvel Universe. He'd done amazing work at Marvel for years, but 2019 was when he really made a name for himself with *Powers of X*. With room to show off his flair for detail and expressive faces, R.B. became a rising star at the House of Ideas. Having made his mark on Marvel's mutants, R.B. is now forging ahead as the new artist on *Fantastic Four*! – ***Joe***

CARMEN CARNERO

Sunny Spain has produced a full half of our first class of Stormbreakers. What are they putting in the water over there? Rock star artist Carmen Carnero has shown off her skills in *Captain Marvel* and more with show-stopping splsplashes and imaginative paneling. See her most current set on *Hellions* – right in the middle of *X of Swords*! – ***Joe***

IBAN COELLO

Another prodigious product of the Iberian Peninsula, Iban Coello is a bold talent whose pulse-pounding action sequences speak for themselves. Iban bonded with the *Venom* series a while ago, and has delivered some of the best work of his career there so far. That work is being exceeded with every issue, as Iban ushers in the arrival of the *King in Black* next month! – ***Joe***

JOSHUA CASSARA

Homegrown artist Joshua Cassara has quickly become a Marvel mainstay. His striking imagery can be seen throughout the current run of *X-Force*, and is some of the most iconic artwork the team has ever seen. Josh is still holding firm on the reins of that title heading into the new year, and look for his work in *Wolverine* soon as well! – ***Joe***

The Marvel's Stormbreakers program recognizes the industry's top rising artists from around the globe. **EVP and Creative Director Joe Quesada** and **Editor-in-Chief C.B. Cebulski** are big fans of the work of this inaugural class, and introduce each artist below!

C.B. CEBULSKI
EDITOR-IN-CHIEF

PEACH MOMOKO

I've been a big fan of Peach Momoko's work for a long time now, ever since meeting her at NYCC years ago, and I'm absolutely thrilled that Marvel is the new home for all of her gorgeous art. The Japanese aesthetic that Peach brings to American comics separates her covers on the shelves, and seeing our characters in such a different style is always a thrill. Keep on the lookout for more and more from her soon, including interior work! – ***C.B.***

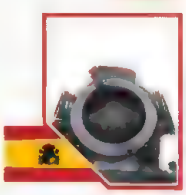
NATACHA BUSTOS

Spain's Natacha Bustos co-created Moon Girl right about when she first started here, and she's been delivering amazing artwork non-stop ever since! If that wasn't impressive enough, Nat will be taking a turn on *Miles Morales: Spider-Man* this January, bringing her bold, breezy storytelling into the *Spider-Verse*! Plus, be sure to check out her episode of Marvel's 616 alongside former Young Gun Javier Garrón. – ***C.B.***

PATRICK GLEASON

People might not know this, but Pat Gleason got his start at Marvel over twenty years ago! He may have pursued other artistic avenues for a little while, but now Pat's back and drawing better than ever, with the ultra-clean and super iconic images we know and love him for. He'll be going strong on *Amazing Spider-Man* through the end of *Last Remains*, where he's depicting some devastating duels between the web-slinger and his new nemesis, Kindred! – ***C.B.***

JUANN CABAL



`Rounding out our quartet of Spaniards is Juann Cabal. Juann's worked wonders at the House of Ideas for a long time now, and his pencils still WOW me every time I see a new page. He's displayed time and time again how his bold, singular style elevates any book he's on. If you're like me and can't get enough of this incredible artist's work, be sure to look for his upcoming issues of *Guardians of the Galaxy*! – ***C.B.***
